Mahewish Nallamandu

Solapur, Maharashtra • 8149790820 • mahewish1308@gmail.com

SUMMARY

A highly motivated and detail-oriented student with hands-on experience in Java, Python, C, and Android app development. Passionate about building user-friendly applications, with successful projects including a College Buddy App and a Digital Menu App. Strong foundation in data structures, algorithms, and software development practices. Eager to contribute to innovative tech solutions and grow in a dynamic development environment.

SKILLS

- **Language:** C, Python, Java, HTML, CSS
- **Framework:** Springboot
- **Database:** SQL
- **Developer Tools:** Git, GitHub

PROJECTS

College Buddy – Your Personal Academic Assistant (Completed)

- Developed a MERN-based productivity tool for efficiently managing and revisiting important links and resources.
- Designed a clean and responsive UI using **XML layouts** and **ConstraintLayout**, focusing on smooth user experience and intuitive navigation.
- Built a GPA calculator with subject-wise grade input and automated GPA computation logic.
- **Tech Stack:** Kotlin, Android Studio, XML, Firebase.

Dev Dashboard (UI/UX Prototype – Completed)

- Designed a GitHub-style developer dashboard using **Figma**, focusing on intuitive UI/UX patterns and developer-centric features.
- Created interactive prototypes showcasing repository views, activity timelines, pull requests, and issue tracking.
- Emphasized real-world functionality and developer workflow optimization in the design structure.
- **Tools Used:** Figma, UI/UX Design Principles, Prototyping, Wireframing

EDUCATION

B-Tech in Computer Science and Engineering WIT, Soalpur University CGPA-9.86	**2027**
HSC 12th Walchand College of Arts and Science, Solapur Percentage-76.67	**2023**
SSC 10th Shanti English Medium School, Solapur Percentage-94	

Certification

Completed Programming using C language – Infosys Springboard
